To Vicki & Family,

Fred was one of the(a few) nicest biologist at Fish & Wildlife. Although he left here awhile ago, he was missed then, and will truly be missed now. My thoughts and prayers are with you and Chelsea, just remember a part of him will always

live on in your memories and everytime you look in your daughters eyes. God Bless you, Sharon Rivera (former Fish & Wildlife Employee)

Hi Vicki and Chelsea:

I remember Fred from the Soil District and you, Vicki, from the Gloucester County Planning Office. I recall thinking how positive and pleasant you both were when I met you. Carl (Christianson) let me know about Fred and I want to let you know how sorry I am and that even though I have not seen you guys for many years and it was just in a professional capacity, you and Chelsea should know what a great impression Fred made and that fond thoughts of Fred remain in the minds and hearts of people whom he touched even briefly and some time ago. Best wishes for your comfort in your fond and loving thoughts of Fred.

Vicki and Chelsea: I am so gravely sorry for your loss. Fred was one of my favorite people I have met in my life. He was so intelligent, witty, and always had such a positive demeanor. We shared a lot of great times I will never forget. I'm sure you feel great satisfaction and fulfillment for the time you were able to spend together as I do. I just wish I had been able to spend more time. You are so fortunate to have had him as husband and father. Not every one is that fortunate. I wish you both well in the challenging time ahead.
