WEBER, Pamela (nee Lambert) passed away peacefully on December 7, 2022 at AtlantiCare Regional Medical Center in Atlantic City at age 70, after a prolonged illness.

She is survived by her son Walter and his wife Kim, and her daughter Leslie Rose; her brothers Arthur, Theodore and Eugene; her grandchildren Walter, Tristan and Alyssa; and many lifelong friends.

Pam was preceded into death by her husband Donald Weber, her parents Grace Doris Lambert and Leslie Francis Lambert and her oldest brother Stephen L. Lambert.

"Sorry to hear of Pam's passing. Pam and I met after we had our first sons in 1976. We remained dear friends but lost touch, as we do in life. I will always remember the kindness she and Don showed me during some hard times I had in the 1980s. Rest in peace, Pam. You're with Don now. Jill Cofer"

"Pam was a major part of my life growing up in Jersey. So many memories. I regret not visiting her after I moved to Virginia. Never seemed to be enough time when I came to visit Jersey. I'll never forget her. Love that crazy Weber family. You are all in my thoughts and prayers during this time. "

"Pam was a good friend of mine we met due to our daughters who became best friends. We lived on the same side of the lakes and we spent a lot of time together I used to go to her house and hang there all the time and my daughter used to stay there all the time. Then we moved to Florida I was really disappointed that we weren't going to be hanging together anymore. But one of the good memories with Pam was we had another friend that was having a baby and Pam sent me the ticket and paid my way from Florida to New Jersey for her baby shower and back again. That was a good memory. I am so sorry for all of your loss of pain for her children and for her brothers who I have met a couple of but it's been a long time and after I was here for a

while we didn't stay in touch too much which was a very sad thing. And she will truly be missed regardless. I'm just sorry that I didn't get up there to see her. My prayers are with you Leslie very much if there's anything I can do please let me know. Walt and her grandchildren I'm sorry for your loss as well."

"Although I haven't seen Pam in over 40 years I remember the good times we had growing up on Walnut Street. Pam was 4 years older than me. I spent time with her and saw her get ready for her Sr. Prom and Graduation. Then she married Don and my husband at the time and I would frequent their home and got to Walt and Leslie up until Walt was 5. I've been in California since 1984 and unfortunately we just lost touch. I was sad to hear of her passing. My condolences to her children, grandchildren, and her brothers. Roxane Blank (Farren) from 38 Walnut Street."
