Welcomed the Boys Home from  
the Ohio Trip.Came with Two Victories and One Honorable De-  
feat to Their Credit--Victors over Mt Union  
and Oberlin--Losers to Wooster.

## ALLEGHENY VS. MT. UNION.

In the first game of the Ohio trip, Allegheny trounced Mt. Union by the score of 31 to 21. The posters announcing the game had the following note: Allegheny has held the college championship of the United States for three years, and this is the only western trip." With two stiff propositions in view and in no immediate danger. Allegheny set her own pace. The contest was rough, lazy and erratic. All the boys tried their wings in the course of the game. King caged two beauties. Score first half, Allegheny 16, Mt. Union 7.

The one redeeming feature of the game was the grand finale. With but four minutes to play Allegheny awoke to a score of 20 all. Taking a moment to warm up, she proceeded to give Mt. Union an exhibition of sharp shooting and team work. Baker under close guard "pinged" three in quick succession. Nelson added another and Giesey scored the last one. Mt. Union took time to shoot one foul.

## Lineup and summary:

Allegheny—31. Mt. Union—21.

Timekeepers—Lee, of Mt. Union; Werner, of Allegheny.

Time of halves—20 minutes.

## ALLEGHENY VS. WOOSTER.

The first defeat of the basket ball season was meted to Allegheny by Wooster last Thursday night, with a score of 30 to 22. But in the words of Referee Peterson, of Western Reserve, "it was as good a game of basket ball as I have ever witnessed."

It was a contest between two fives thoroughly acquainted with the game and played in the true spirit of sportsmanship. Allegheny played a faster game than at Oberlin, but Wooster had the advantage in knowledge of the floor and in size of players. The low ceiling caused the gold and blue much annoyance; repeatedly shots well aimed struck it and fell foul. Wooster used a new style of

play but was apparently wise to Allegheny. The outcome on a neutral floor would be different. A mutual admiration conference followed the game.

## Line up and summary:

Allegheny—22. Wooster—30  
Maxwell-Nelson . . . R. F. . . . Emerson  
Baker . . . . . L. F. . . . Coupland

Fouls—Giesey 4, Coupland 2.  
Officials—Peterson, of Cleveland.

## ALLEGHENY VS. OBERLIN.

Allegheny finished her Ohio trip by defeating Oberlin 24 to 23. This again establishes Allegheny's prestige on the Congregationalist's floor. Wesleyan's defeat in debate the night before by Oberlin keyed up the college to intense excitement. Eager to retrieve her abroad defeat, Oberlin was spurred to do her best. Pres. King, in chapel the morning of the game, declared that Allegheny had been the first to severely trounce Oberlin. But "come and see Oberlin have her revenge this afternoon." Allegheny, with Manager Gill's well-planned rest after the Wooster game, was in splendid condition. The contest was a wager with large stakes on either side, but Allegheny proved the stronger.

Allegheny took the lead the first half, finishing five points ahead. Maxwell and Baker did some fast team work showing up in Giesey's five baskets. Long passes netted clean goals. In the second half, Oberlin gradually crept up and, with two minutes to play, held victory's hand by one finger. Nelson secured the ball out of bounds and passed to Perry, coming down the floor. After Perry's basket, Allegheny covered up.

Following is the lineup and summary:

Allegheny—24. Oberlin—23.  
Baker . . . . . L. F. . . . . Most  
Maxwell-Nelson . . . R. F. . . . . Smith  
Giesey . . . . . C. . . . . Waters

Baskets from foul—Giesey 6, Waters 1.

Officials—Peterson and Paul, of Cleveland, alternating.

Time of halves—20 minutes.

Score at end of first half—Oberlin 9, Allegheny 14.

BRANCH RICKEY, OUR FORMER  
COACH.

Branch Rickey, who was formerly coach of Allegheny college basket ball team and also a star catcher on the St. Louis American league team, has been traded to the New York Americans for the coming season. With the strong team under Griffiths, Rickey no doubt will make good.

## DEATH OF REV. D. S. STEADMAN.

A message was received at the college Thursday announcing the death at 12:40 p. m. of Rev. D. S. Steadman, of Chicora, Pa. The deceased served long in the ministry of the M. E. church. He leaves two daughters, one, Mrs. G. D. Thomas, of Chicora, mother of D. S. Thomas, '08. Mr. Steadman was once an Allegheny student.

A Neat Bit of Verse  
by Miss Rowley

IN STODDARD'S MONTHLY

Entitled "Song of the Mountains"—  
Shows Miss Rowley's Marked Ability.

Allegheny students were well pleased in turning the pages of Stoddard's Northern Monthly, to find a charming little poem, "The Song of the Mountains," contributed by Miss Edith Rowley, '05, who is now our librarian. The poem is, to say the least, beautiful and shows Miss Rowley's keen appreciation of nature as well as her marked ability for expression in verse.

Dr. W. H. Crawford left on train 9 Thursday evening for Harrisburg, to attend a meeting of the presidents of Pennsylvania universities and colleges. Some business was transacted and certain measures presented to the state legislature.

## Haskell Indians.

There is no longer any question about it, Allegheny's basket ball team stands at the head. At home and abroad she has demonstrated her claims. In view of this, it is not strange that there is a general demand to see her pitted against one of the strongest college teams of the United States; and this has been arranged for. On Friday night, March 8, Allegheny's friends will witness the season's greatest game, and the most noteworthy athletic event our college has ever enjoyed.

The Haskell Indians are on an extended tour from Kansas, through all the large cities of the west, playing Chicago University, Buchtel college, Ohio State and Allegheny; and thence to Louisville, Ky. and southward. They are worthy of Allegheny's steel.

The usual seating capacity of the gymnasium will be greatly increased and an effort made to accommodate all.

MANAGER HILBORN  
TALKS BUSINESSGIVES REPORT OF BASE BALL  
SITUATION.A Bright Season is Assured—A Good  
Schedule Being Arranged—Many  
Promising Men in Sight.

Four more short weeks and the basket ball will be laid away by the side of the pigskin. Already the followers of college athletics are questioning us concerning the base ball prospects and several times in the past four weeks we have been asked whether or not Allegheny was to be represented by a base ball team during the coming season. There seems to be some doubt as to our ability to develop a team with so little old material from which to draw.

To the first query there can be but one reply. Most emphatically we are going to have a base ball team. This much was practically guaranteed us last fall with the sale of the Athletic Association Membership cards and this much the experience of last spring should make every loyal Alleghenian resolve. The quality of the team is at first thought a little more doubtful. But two of the 1905 players are in school this year. Nearly the entire team must therefore be selected from the new men or from the older students who have, in the past, failed to show us what they could do. But the prospect is not nearly so discouraging as one might, at first thought be inclined to think. Already the canvas is daily stretched in the gymnasium while one or more batteries go through a practice lasting from 30 minutes to an hour. Now is the time to begin work. Every man in the school who has ever done any pitching or who has any ambition in that direction should commence daily practice at once. And just as soon as the weather permits

### The Kaldron.

Another of Allegheny's varied interests is beginning to take definite shape in the form of the Kaldron. "Booze" and "Blick" have been planning for months, and it has now come time for the men and women of the college to enter their contributions. It is needless to urge activity in this line, but we mention the matter here in order that work may begin at once.

### An Opportunity.

A factor that tends towards the promotion and enriching of culture in the life of our college community, comes to us in the series of lectures being given by Dr. Mulfinger on the great masters of the musical art. The course deals with the history and nature of classic musical authors, and being as it is, rich in information and broadening in scope, should commend itself strongly to the student body.

### Base Ball.

Manager Hilborn's article on base ball in another column should be read with interest by the entire college. The lesson of last season should be sufficient to rouse everyone to exercise every influence they have to further the good work. The student body should understand their duty very plainly.

Our basket ball record of the season is one in which we all have just pride. We have been invincible at home and usually abroad. Allegheny stands for the highest grade of this popular sport. It seems a bit inconsistent that we should not have a presentable record in the other sports. We believe that the fault is one that can be remedied. Allegheny is in an athletic rut. We succeed in basket ball because every man and woman in the institution believes profoundly that we will succeed. We have fallen down in base ball because we have lacked this whole hearted optimism. Just as proof of this, we cite our fluke of last season. It was suggested that we drop the sport for the time. We accepted the suggestion almost without a murmur. Over against this, let us suppose that somebody had suggested that we drop basket ball—wow! The corner would have had to use blotting

paper. Now our plea is that this spirit that abounds on the hill for our mid-winter sport be exercised in interest of the great American game. Let's cultivate the mental attitude that will make it succeed.

### MANAGER HILBORN TALKS BUSINESS.

Continued from page 1.

let every man who plays base ball get down to work.

Benedict is hard at work for a position in the box. Benny made a good record as pitcher on the Titusville High school team and promises to furnish us with one good twirler. Horn, of the 1905 team has also done some pitching and is already at work. For the position of catcher we have at least three good men in sight: Braymer, of last year's Prep. team, Fixel, who has caught for the American team, and Miner, who has served his time in Punxy. Captain Nelson played a good game at short stop two years ago. Gahan played on the Titusville High School team for three years—two of which he spent on first base. Glesey, we are told, also expects to try out for first-base. Drum made an excellent showing at California Normal and will probably make good. Baker is another new man who can take his place on the diamond. Mackey was at one time, a good base ball player and we are assured that he has consented to become such again. Knapp and O. C. Jones expect to report for practice this year. Bishop Kelly is a good player and we feel sure that he will come out. The success or failure of our team this year will depend upon the number of men who take an active interest in the practice far more than it will depend upon coach, captain and manager combined.

It is a little early as yet to make any positive statements in regard to the schedule for it is not yet complete and even if it were some few changes would doubtless be found necessary. The following games have, however, been arranged for:

#### At Home.

Pittsburg College—May 3.  
W. U. P.—May 9.  
Grove City—May 9.  
Westminster—May 25.  
Carnegie Tech.—June 1.

#### Away from Home

Westminster—April 27.  
W. U. P.—May 17.  
Pittsburg College—May 18.  
Cal. Normal—May 20.

With some few changes and a slight addition, the above probably represents the schedule of games for the coming season.

### PREP. GAME.

Saturday evening Allegheny Preps. defeated Edinboro Normal in the college gym. by a score of 19 to 16. This victory for the Preps. ties the schools in the Tri-League. Erie plays Edinboro and the winner plays the Preps. for the pennant.

The contest was hard fought and intensely exciting. The Normal led the first half by seven points. In past basket ball the Preps. pulled out of the hole, finishing the game three points to the good. Stratton and Hines were easily the stars for the Preps, but the whole team worked together well. DeArment caged five fouts out of eight tries. Perry did splendid shooting for the Normal, caging four baskets.

#### Summary and line up.

### THE LITERARY MONTHLY.

The "Lit" appears this week with an unusually good assortment of prose productions and verse. All the contributed literature is of a very high grade. The publication comes more and more to be distinctly literary in character.

"The Valley Folk" is a splendid bit of verse, portraying with artistic realism the peace and quiet of the valley. Mr. Aiken's story is snappy and original with cheer and a dash of keen humor.

"Old Man Hastings" by Mr. Lewis, is an excellent college story, full of characteristic humor.

"Say Father Do You Remember?" is a poem of strong feeling and musical arrangement. Aglow with pathos and life, the production is the best effort in verse that has appeared.

"A Malignant Master-piece reaches another exciting point in this issue. Eurn's "Jolly Beggars" as treated in Mr. Bright's review is finished and literary in style and substance.

## BUSINESS MEN AND THE COLLEGE.

To the athletic managers and those interested in college business propositions, each returning year brings a problem of a puzzling and delicate nature, i. e. how business relations of a satisfactory nature may be maintained with the local merchants and commercial houses. The recent action of the Meadville Chamber of Commerce discouraging in most instances, especially in the case of dry-goods and similar houses, advertising in college publications brings the business managers face to face with a proposition of peculiar difficulty.

The reasons assigned for this action by the town merchants are:

(1) Excessive demands made by college managers on the patronage of the merchant, and (2) The failure on the part of students to patronize in any remunerative degree, the various business men who contract for space in college papers.

This feeling among the town commercial element seriously endangers the future of the annual and weekly publications. A concerted action on the part of the down-town patrons would at once so involve the Kaldron, Campus, "Lit," and Manual, as to make discontinuance imperative in each instance.

Generally speaking the best interests of the college and the business communities ought to be mutually a matter of concern. The spirit of justifiable discontent evinced by our heretofore liberal advertisers sounds a note of warning. Some remedial policy must be adopted and adopted at once. Amicable relations with Meadville's business men is an absolute necessity to the life and well being of our publications, as well as to the friendly relations that ought to exist between the two elements.

At this juncture the courtesy shown each year by town places of business may profitably be emphasized. In the three separate seasons the show windows downtown are utilized with great profit by the athletic managers for advertising purposes.

This accommodation cannot be over-estimated and deserves special recognition at our hands. The cheerful and ready acquiescence given by town merchants to requests for such help, has been more than once a matter of encouragement and satisfaction to an overworked manager.

Again the athletic contests and other functions and interests of the college are liberally patronized by town men. Up until last year, the advertising patrons have been numerous and generous. The publishers of various journals in this school, will testify to the difficulty and embarrassment met with at the present time in an endeavor to secure advertisers.

A careful scrutiny therefore of the facts of the case seem to place the responsibility for the present conditions on the student body. The merchants we think are at least partially justified in the stand they take since it is presumably in self defense. The problem must be solved, and how?

The solution seems simple. If a concentrated effort were put forth by the college students, to take their business transactions entirely to those who patronize college institutions, and especially emphasize the fact that their coming was the direct result of advertising cards, exhibited in school publications, the matter might speedily be adjusted. A strong interest in the concerns of the business men produce results. To avert financial crisis and possible failure some such arrangement ought to be speedily effected.

## Exchange Department

At Northwestern everything possible is being done to discourage the co-eds from associating in any way with the men. Recently, Dean Hodge announced that the co-eds must not take their meals in the same place the men do.

In view of the practice on Carnegie Lake, Princeton hopes to be able to carry off all hockey honors this year. This is the first year that Princeton's hockey team has had plenty of practice.

It is possible that a football game will be played between Stanford University and the South African team which has been playing so successfully in Great Britain. The Africans expect to return home by way of San Francisco.

The Athletic Association of Geneva, College gives as its reason for not having a basket ball team this season, that owing to lack of material it would be impossible to select a team that could compete with Westminster,

Allegheny or W. U. P.

Study is an antidote for flunking, it is as bad on ponies as rough on rats; it stimulates the mind, it puts reference books out of commission and memory above par; it helps along the Standard Oil Company's trade in oil and will eventually destroy the art of horsemanship; it lessens the laundry bills by preventing the decoration of white cuffs with trigonometric formulas; it puts us all on a level, is a good investment and easy to get.—EX.

The University of Pennsylvania has broken off all athletic relations with Harvard as a result of Harvard's refusal to play foot ball with Pennsylvania.

The English boys at Oxford call the Rhodes scholarship men "Roadsters."

The head of the department of Zoology at Indiana University, Dr. Alexander Petrunkevitch, is one of the Russian nobility. He came to this country because of the student troubles in Russia.

All the recent exchanges give reports of inter-class basket ball games. Great interest seems to be taken in these local games.

### Fat vs Janitors

The fastest, roughest and most exciting game of basket ball seen on the home floor this season, was that between the Fat Men and the Janitors, Friday afternoon in the gymnasium. That both teams were out for blood was evident from the start, when Capt. Sherwin of the Fats objected to the presence of coach Luce of the Janitors on the side lines. This started the bitter feeling which continued throughout the contest.

"Beany" Miller started the scoring for the Fats with a difficult two handed shot and then "Andy" Morford evened up things with a beauty from the middle of the field. To keep up the reputation of the family, "Push" Miller kicked one into the basket, but in doing so he tore the ligament of his right knee and had to be removed from the game. At present "Push" is on crutches with a plaster of paris cast on his knee and the Fat Men will in all probability lose the services of this valuable player for the rest of the season. Sam Robinson took his place and the

game went merrily on. The first half, thirty-five minutes long, ended with the score 23-19, in favor of the Janitors and the second half twenty minutes long ended with the final score 27-23, in favor of the Janitors.

For the Janitors, "Andy" Morford was the great and shining light, scoring 13 points for his side. He was allowed to play only by courtesy on the part of Capt. Sherwin and as he is low in his studies. Doc. Donaldson also played a good game, but he swallowed a chew of Mall Pouch which caused him to lose his wind toward the latter part of the contest and he slowed up considerably. Bill Eval showed lack of training, but played his man to a standstill. Cozins got mixed up with Sherwin once and got sore because Sherwin handed him one in the eye. He said such action was very unchristianlike. Murray at center played consistent ball.

For the Fats, Capt. Sherwin and "Billy" Cole were towers of strength on defense, while "Beany" Miller at center though out of condition played his man to a standstill. Sam Robinson covered the floor in good shape and Kightlinger introduced a new style of play. This was the crouching game invented by him for collaboration on the part of coach Nelson and Dr. Werner. If "Kite" could have located the basket, this new game would have changed the score. Coach Nelson was out of town during the game which accounts for the bad way in which the signals worked and the poor success of the crouching game. When he heard the score on his return, coach Nelson said: "I am highly gratified at the showing made by my team. Of course if you consider it from the standpoint of games won, our season has not been a success. But there is something more in sport than winning games and I think our team has shown that this season. None of our team smokes, chews, drinks, swears or gambles, and they all belong to the church. Every man is in the game for the sport's sake and it is teams like this which advance the game even if they do not win. We have a clean team and we are proud of them."

The refereeing was the poorest here this season, and Mr. Russe had to be escorted from the game by the Janitors or he would have been mobbed by the Fat Men and their adherents. The proceeds were turned over to the athletic association thereby assuring a base ball team for this spring.

#### MACBETH.

Many of Allegheny's students seized the opportunity Thursday night of hearing Madame Modjeska, in her presentation of "Lady Macbeth" in the great tragic drama of Shakespeare. All the varying emotions and phases of the character were skillfully portrayed.

The entire drama was splendidly presented in every detail. Rich in costuming and elaborate and correct in staging, the classic play was one that appealed strongly to the student mind.

WELL! WELL!! WELL!!!

Such a commotion that our stock of New Spring Wearables is making.

The boys who have been in have told others who have not, about our spread—and everybody is getting interested. And, if you'll excuse us, we think we're getting a little excited ourselves. Been in yet? No! Well, you're missing something. To cut it short we'll say, we have the finest display of Spring Clothes, Hats and Toggery for College Fellows that ever graced a store. Don't think we are putting it a bit too strong—won't come down a peg.

Prices are all right, too—everybody says so.

Come in and see what all this excitement is about. We are just as ready to show goods as to take your money.
